---

Be sure to visit this wonderful last floor apartment completely redesigned and renovated in the Sun Beach urbanization in Costalita. A few minutes drive from Puerto Banús and Marbella, it is a complex within walking distance of the beach and surrounded by services.

The apartment is characterized by its luminosity, it has a lounge - dining room with open kitchen of Italian design fully equipped with Neff appliances with direct access to the terrace. Solarium that is accessed through a spiral staircase located on the terrace. It has a master bedroom suite and a guest bedroom with separate bathrooms.

You have the possibility of building on the roof terrace (45m2) an additional separate studio with an en suite bedroom and a kitchen. High quality full-body Italian tiles, Duravit in high-class bathrooms and showers, electric shutters, false ceilings with indirect lights, plastered walls throughout.

Quiet and private complex, overlooking the pool and well maintained mature community gardens. A few minutes from all kinds of services: supermarkets, banks, restaurants, among others.

A great holiday home and / or investment, lots of rental potential!

Call now to request your appointment."
